

Sinclair Broadcasting's decision to use its stations as a tool to promote a certain viewpoint is outrageous. By forcing its station to air an anti-Kerry documentary, it is demonstrating distinct bias--a disturbing quality in a media giant.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

Sinclair's actions show why we need to STRENGTHEN media ownership rules, not weaken them. Thank you.
